UMTHETHO NOBUFAKAZI

"Eku-mthethweni nasebu-fakazini: uma bengakhulumi ngokwale-zwi, kungenxa yokuthi akukho ukukhanya kubo." — U-Isaya 8:20

1. Kungani Lesi Sifundo?

Izimvu ezilahlekile zikaJesu Kristu zikhohliswe ukuba zikholelwe ukuthi iTestamente Elisha selithathele indawo iTestamente Elidala futhi lalehlula.

Abafundisi bamanga, abapristi, nabaprofethi bamanga bathi zonke izinto eziseTestamenteni Elidala sezagcwaliseka noma sezisusiwe, futhi manje sisebenzelana neTestamente Elisha kuphela.

Lokhu kuyindlela eya echibini lomlilo. Xwayisekani!

Noma yimuphi umoya ofundisa lokho awusiwo kaJesu Kristu noNkulunkulu ka-Israyeli. Akukho ukukhetha — noma usebenzelana **nezwi loNkulunkulu eliphelele**, noma ungasebenzelani nalo nhlobo.

UMthetho noBufakazi kuhlangukisa lonke iBhayibheli.

- **UMthetho** = uGenesise – uMalaki (abaProfethi)
- **UBufakazi** = uMathewu – iSambulo (abaPhostoli)

2. Izisekelo: U-Isaya 8:16–20

Lesi siprofetho sikhuluma ngoJesu Kristu. Uma ungakhulumi ngokoMthetho noBufakazi, kungoba awunalwazi.

UPawulu wabeka indinganiso efanayo phambi kwabeZizwe:

KwabaseEfesu 2:11–13, 19–20

v.11 — *"Ngakho-ke khumbulani ukuthi nina enaningabeZizwe enyameni..."*

AbeZizwe yizingane zikaJafete — abantu emhlabeni ababiza ngokuthi abamhlophe. Basengabantu beZizwe enyameni, kodwa uPawulu ukhuluma ngabeZizwe **engqondweni**. Labo abamukela uJesu Kristu noNkulunkulu ka-Israyeli abasebantu beZizwe ngokomoya — bangama-**Israyeli ngokomoya**.

v.12 — *"...nangingenaye uKristu, niyizihambi ezweni lika-Israyeli..."*

UNkulunkulu usebenzelana **nabantwana bakhe**: ama-Israyeli enza intando yakhe, naye noma yimuphi umntwana ka-Adamu okholelwa futhi alalele uJesu Kristu noNkulunkulu ka-Israyeli.

v.19–20 — *"Manje-ke aniseyizihambi... nakhelwe phezu kwesisekelo sabaphostoli nabaprofethi, uJesu Kristu uqobo eyitshe legumbi..."*

Awukwazi ukuba **umKristu weTestamente Elisha kuphela**, futhi awukwazi ukuba **isazi seTestamente Elidala kuphela**. Kufanele wakhelwe phezu **kwakho kokubili** — abaPhostoli **nabaProfethi**.

3. Ukudakwa Ngokomoya — U-Isaya 28

Labo abenqaba ingxenye yeZwi bachazwa njengabadakwe ngokomoya.

U-Isaya 28:1 — *"Maye kumqhele wokuziqhenya, kuziphuzi zika-Efrayimi..."*

U-Efrayimi umela u-Israyeli — indodana encane kaJosefa eyathatha izizwe eziyishumi ngemva kokuhlukana komuso kaSolomoni.

U-Isaya 29:9–10 — *"...badakiwe, kepha kungengewayini; bayadiyazela, kungengewotshwala obunamandla. Ngokuba uJehova uthululele phezu kwenu umoya wobuthongo obukhulu..."*

Lokhu akusiyo intoxication yewayini. Noma nini lapho ucabanga ukuthi enye ingxenye yeBhayibheli kufanele ilahlwe — **udakwe ngokomoya**.

U-Isaya 28:7–8 — *"...umpristi nomprofethi baduke ngotshwala obunamandla... wonke amatafula agcwele ukuhlanza nokungcola..."*

- Itafula lomKristu weTestamente Elisha kuphela = **ukuhlanza**
- Itafula lesazi seTestamente Elidala kuphela = **ukuhlanza**

Ukuhlanza yimfundiso embi.

U-Isaya 28:9 — *"Uzakufundisa bani ulwazi?... yilabo abalunyuliswe ebeleni."*

4. Kungani UNkulunkulu Ekhuluma Ngezilimi Eziningi

U-Isaya 28:11 — *"Ngezindebe ezigagasayo nangolimi olunye uzakukhuluma kulababantu."*

*Ama-Israyeli eNingizimu Afrika akhuluma **isiZulu, isiSuthu, isiXhosa**, njll. E-USA — isiNgisi. ESpain — isiSpanishi. EBrazil — isiPutukezi.*

1 Korinte 14:21 — UPawulu ucaphuna isiprofetho sika-Isaya: *"Ngezizwe ezinezilimi ezingafani... ngiyakukhuluma kulababantu..."*

Akukho mlilo woMoya oNgcwele "ophuma esibhakabhakeni" ungaphandle kweMibhalo — uma kunjalo, uNkulunkulu wayengeke ayale ukuthi uMthetho noBufakazi **kubhalwe encwadini.**
